MEDICINAL.

The distracting headaches from which so many women suffer make life a daily purgatory. If men suffered with headache as women do, business would be almost at a standstill. Does not the fact that men do not suffer from these severe headaches suggest that there must be a womanly cause for them?

When the womanly organism is diseased, headache, backache, nervousness and sleeplessness are consequences which are sure to follow.

Dr. Pierce's Favorite Prescription cures headaches and other aches and pains by curing their cause. It establishes regularity, dries unhealthy drams, heals inflammation and ulceration, and cures female weakness. It soothes pain and builds up the nerves. It transforms weak, sickly, nervous invalids into happy, healthy women. Thousands have testified to its marvelous merits.

"I took two bottles of your 'Favorite Prescription' and two of the 'Golden Medical Discovery' and am feeling well," writes Mrs. Dan McKenzie, of Laramie, Minn., Cape Breton Co., Nova Scotia. "I had uterine trouble, pain in the side and headache. After taking your medicine I got well. You may publish this or use it in any way you think best. I cannot speak too highly of Dr. Pierce and his medicines."

"Favorite Prescription" has the testimony of thousands of women to its complete cure of womanly diseases. Do not accept an unknown and unproved substitute in its place.

FREE. Dr. Pierce's Common Sense Medical Advice is sent free on receipt of stamps to pay expense of mailing only. Send twenty-one one-cent stamps for the book in paper covers, or thirty-one stamps for the cloth-bound volume. Address Dr. R. V. Pierce, Buffalo, N. Y.

Lee's Soldiers in Pennsylvania.
A northern writer publishes in Appleton's Encyclopedia: "Those soldiers

were in destitute conditions in regard to shoes, yet the most scrupulous regard was had to private property. They had no tents nor were burdened with any baggage. Their only trains were ammunition trains. If enduring great hardships without a murmur and most bravely and heroically fighting are evidence of good soldiers, seldom has the world witnessed better soldiers than those who composed the army of General Lee."

Better Than a Plaster.
A piece of flannel dampened with Chamberlain's Pain Balm and bound on the affected parts is better than a plaster for a lame back and for pains in the side or chest. Pain Balm has no superior as a liniment for the relief of deep seated, muscular and rheumatic pains. For sale by Gibson & Timberman and W. F. Creighton & Co.

TO KILL THE DANDRUFF GERM.
Is the Only Possible Way of Having An Effective Cure.
If you see a woman or a man with luxuriant glossy hair, you may be sure neither has dandruff to amount to anything. In nearly every case where women and men have thin brittle hair, they owe it to dandruff. There are hundreds of preparations that "claim" to cure dandruff, but not one but Newbro's Herpicide tells you that dandruff is the result of a germ burrowing into the scalp, and that permanent cure of dandruff and its consequent falling and baldness, can only be had by killing the germ; and there is no other preparation that will destroy that germ but Newbro's Herpicide. "Destroy the cause, and you remove the effect." Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.

Woman Murdered.
Mrs. Dennis Crowley, aged sixty-five, whose mutilated body was found by two young men yesterday in the woods just over the State line in Massachusetts, died at the Pawtucket, R. I., hospital without regaining consciousness. John Allingham, sometimes known as Capt. Harrington, a veteran and pensioner of the civil war, is under arrest. Blood spots on the prisoner's shirt, articles belonging to the murdered woman in his possession, the fact that Allingham occupied a room in the house, and his apparent effort to quit the scene before the arrival of the police, lead the authorities to believe that he is the right man. The body was found ninety feet from the house, which was situated on the State line. The head had been fearfully cut and bruised, as if from the blow of some sharp instrument. The young men saw Allingham standing near the house, a short distance from where a blood-stained axe was later found by the police. They declare that Allingham, when accosted by them, plead, "For God's sake help me out of this trouble. I ain't done a thing." As soon as the young men left the place to notify the authorities, the police alleged that Allingham entered the place and changed his clothing, proceeded to Mrs. Crowley's bedroom, possessed himself of her money and other articles and left the place. Allingham resisted arrest and fought the officers all the way to the station. When the police and physicians arrived at the Crowley house they found the bedding saturated with blood. Further bedding revealed a club under the bed, covered with blood and long hair.
